

2026 YEARBOOK

FREQUENTLY ASKED QUESTIONS

We've received a few early questions about the yearbook and thought the answers would help everyone, so we're sharing them below.

My business wants to buy the Inside Cover or Back Cover. What should I do?

Availability as of September 29th: One Inside Cover remains; the Back Cover is available.

Cover placements are limited and go to the first business to complete payment. Check the Zeffy yearbook page before submitting to confirm availability.

If available: Ask the business to complete the form or submit payment through Zeffy. For a check payment, email a copy of the completed form and check to nhhockeyads@northhillshockey.org once you receive them.

If the cover is no longer available, the business can choose another package.

My business is paying by check. How do I get the information to the Club?

1. Take clear photos of the completed form and the check, then email both to nhhockeyads@northhillshockey.org.
2. Give the original check to your team manager. Label the envelope with your name and the business the ad is from.
3. Team managers must deliver the check to Dana, Deanna, or Michelle within one week of receiving it.

A business said it will sponsor my player, but nothing is confirmed yet. Do I need to tell the Club?

No. Wait until you have the completed form and payment before contacting the Club. This keeps our inbox manageable and ensures we track only confirmed ads.

For Inside Cover or Back Cover placements, check availability on Zeffy before submitting.

When will my ad credits be applied to my account?

Player credits will be applied once the yearbook is sent to the printer, which we expect in early December. Until then, please keep making your regular payments.

DEADLINE: NOVEMBER 5th, 2026

All forms, payments, and final artwork are due.
